### Tournament Rules - **Girls** Division

1. This tournament was created for your **fellowship and enjoyment**. Any fighting or abusive actions at any tournament function will result in the ejection of the player or players from the tournament. Further altercations will result in the ejection of the entire team from the tournament. It is therefore each team's responsibility to police its members' behaviour.
2. A team roster for the tournament must be completed and turned in prior to the first game being played. Subsequent additions to a team's line up will not be permitted or allowed. A player may only be listed on one roster!
3. Players in the female (girls) division must be **19 years of age** within the **calendar year of 2014** to be allowed to participate. Any questions in this regard are to be directed to the tournament committee who will then request and receive the appropriate age verification. Any violation of this rule will result in the offending team forfeiting all of the games they have played to that point in the tournament and the elimination of the offending player from any further participation in the tournament. The tournament committee does reserve the right to make exceptions based on placement of teams for the tournament scheduling, based on the number of teams in each pool.
4. ALL CARHA rules will apply (i.e.: no body contact). These rules will be strictly enforced. If an injury to an opponent results, a major penalty and a game misconduct will be assessed against the offending player.
5. Slap shots **will be allowed** for the female division only.
6. Full equipment must be worn including a helmet that must be securely fastened at all times, with visor or face shield snapped in place. Players who lose their helmets are not allowed to participate in any further play. An infraction of this rule will result in a minor penalty being assessed.
7. Boarding and Body Checking:
  - a) A Minor or Major penalty, at the discretion of the Referee, based upon the intent and the violence of the impact with the opposing player, shall be assessed to any player who intentionally bodies, pushes, shoves, stands in front of opponent for the purpose of making contact, and/or does not avert body contact with an opponent. When Injury results from intentional body contact a Major penalty shall be assessed.
  - b) In the event that a player, by committing an infraction of the rules, causes an opponent to collide with the boards, the Minor penalty normally assessed under the rules will be waived and a double Minor penalty shall be assessed. Note: this penalty will count as two (2) penalties in the application of the Three Penalty Rule.
  - c) Where in the opinion of the Referee, accidental contact has taken place, no penalty shall be assessed.
8. Any player or players participating in a fight will be ejected from the tournament and the penalized team(s) will play short-handed for **five (5) minutes**.  
All **major penalties** will consist of **five (5) minutes** of game time as shown on the clock. Any player assessed a major penalty shall automatically incur a game misconduct penalty.
9. All **minor penalties** will consist of **two (2) minutes** of game time as shown on the clock. Coincidental minor penalties will result in the teams playing at full strength.
10. Any player assessed **three (3) penalties** in one game, will be given a game ejection.

### Tournament Rules - Girl's Division (continued)

11. Throughout the tournament, each game will consist of two 22 minute straight time periods and if less than a three goal spread occurs (i.e.: 4-2 but not 5-2) then the final two minutes of the second period will be stop time.
12. For the playoff round, each game will consist of two 22 minute straight time periods, if less than a three goal spread occurs, then the final three minutes of the second period will be stop time.
13. Time outs are NOT allowed.
14. Points will be awarded as follows: Win = 2 points Tie = 1 point
15. Any positional ties will be broken by the following ordered procedure:
  - a) Head to head games
  - b) Fewest goals against
  - c) Most goals for
  - d) Fewest penalty minutes
  - e) Coin toss
16. If a playoff game is tied after regulation play, a **three (3)** woman shoot out will occur. For this shoot out, each team is to select **three (3)** separate players who are to participate and will so designate in writing the order in which they are to participate. This listing is to be handed to the referee who will control the shoot out. If the game remains tied after this **three (3)** woman shoot out, then a sudden victory shoot out will follow in which the remaining players on the roster must participate before a player is allowed to participate again in the sudden victory shoot out.
17. It is mandatory that there be a designated Captain and Assistant Captain on each team. Those players, so designated, will be the only players allowed to approach the referees for an interpretation or discussion of any call made.

**Please Note: The referees can only call what they see, and will follow the CARHA rules as outlined in the most recent CARHA Rule Book,**

**And.....above all:**

**Respect your opposition  
Respect your teammates  
Respect your referees  
Respect your fans  
Respect your tournament VOLUNTEERS  
Respect yourself!**
