Tournament Rules - Men's 35+/45+/55+ Division

1. This tournament was created for your **fellowship and enjoyment**. Any fighting or abusive actions at any tournament function will result in the ejection of the player or players from the tournament. Further altercations will result in the ejection of the entire team from the tournament. It is therefore each team's responsibility to police its members' behaviour.
2. A team roster for the tournament must be completed and turned in prior to the first game being played. Subsequent additions to a team's line up will not be permitted or allowed. A player may only be listed on one roster!
3. **Respective to their category** players in the men's division **must be 35, 45 or 55 years of age by March 27, 2020** to be allowed to participate in that particular division. Any questions in this regard are to be directed to the tournament committee who will then request and receive the appropriate age verification. Any violation of this rule will result in the offending team forfeiting all of the games they have played to that point in the tournament and the elimination of the offending player from any further participation in the tournament. The tournament committee does reserve the right to make exceptions based on placement of teams for the tournament scheduling, based on the number of teams in each pool.
As well, any player who plays in Senior or AA Hockey Leagues, or are carded with any an organization, are NOT allowed to compete in this tournament.
Goalies must be over the age of 21 in the men's divisions.
4. ALL CARHA rules will apply (i.e.: no body contact, no slap shots). These rules will be strictly enforced. A slap shot infraction will be called if the stick leave the ice on the drawback and will result in a minor penalty being assessed. If an injury to an opponent results, a major penalty and a game misconduct will be assessed against the offending player.
5. Full equipment must be worn including a helmet that must be securely fastened at all times. Players who lose their helmets are not allowed to participate in any further play. An infraction of this rule will result in a minor penalty being assessed.
6. Any player or players participating in a fight will be ejected from the tournament and the penalized team(s) will play short-handed for **five (5) minutes**.
All **major penalties** will consist of **five (5) minutes** of game time as shown on the clock. Any player assessed a major penalty shall automatically incur a game misconduct penalty.
7. All **minor penalties** will consist of **two (2) minutes** of game time as shown on the clock. Coincidental minor penalties will result in the teams playing at full strength.
8. Any player assessed **three (3) penalties** in one game, will be given a game ejection.
9. Any attempt at *playing the puck above the waist (regardless of whether contact with puck or any other player is made)* will result in a minor penalty.

Tournament Rules - Men's Division (continued)

10. Golf shots will be viewed as high sticking infractions and penalties will be imposed accordingly.
11. Throughout the tournament, each game will consist of two 22 minute straight time periods and if less than a three goal spread occurs (i.e.: 4-2 but not 5-2) then the final two minutes of the second period will be stop time.
12. For the playoff round, each game will consist of two 22 minute straight time periods, if less than a three goal spread occurs, then the final three minutes of the second period will be stop time.
13. Time outs are NOT allowed.
14. Points will be awarded as follows: Win = 2 points Tie = 1 point
15. Any positional ties will be broken by the following ordered procedure:
 - a) Head to head games
 - b) Fewest goals against
 - c) Most goals for
 - d) Fewest penalty minutes
 - e) Coin toss
16. If a playoff game is tied after regulation play, a **three (3)** man shoot out will occur. For this shoot out, each team is to select **three (3)** separate players who are to participate and will so designate in writing the order in which they are to participate. This listing is to be handed to the referee who will control the shoot out. If the game remains tied after this **three (3)** man shoot out, then a sudden victory shoot out will follow in which the remaining players on the roster must participate before a player is allowed to participate again in the sudden victory shoot out.
17. It is mandatory that there be a designated Captain and Assistant Captain on each team. Those players, so designated, will be the only players allowed to approach the referees for an interpretation or discussion of any call made.

Please Note: The referees can only call what they see, and will follow the CARHA rules as outlined in the most recent CARHA Rule Book,

And.....above all:

**Respect your opposition
Respect your teammates
Respect your referees
Respect your fans
Respect your tournament VOLUNTEERS
Respect yourself!**
