16. If a playoff game is tied after regulation play, a **three (3)** man shoot out will occur. 17. It is mandatory that there be a designated Captain and Assistant Captain on each team. Those players, so designated, will be the only players allowed to approach the referees for an interpretation or discussion of any call made.

Please Note: The referees can only call what they see, and will follow the CARHA rules as outlined in the most recent CARHA Rule Book,
